

Bachelor of Science in Data Science and Analytics (BS DSA)

**Be a skilled data analyst
and scientist.
ENROLL NOW.**

BS DSA aims to produce graduates who are:

- Equipped with theoretical, practical, and comprehensive knowledge in the management and analysis of complex data
- Upskilled to process vast amounts of digital data and transform to meaningful insights that can aid actionable suggestions to policymakers and decision-makers
- Molded with hands-on experience, solving complex problems, and being proficient in interpreting data through the latest data science tools and techniques.

The program's alignment with industry needs

- To address the increasing demand of organizations in terms of making sense of the data to come up with data-driven decisions for better services and products.
- To utilize statistical techniques, data visualization, data management, and relevant algorithms to turn big data into useful and actionable insights relevant to the industry.

Why take Bachelor of Science in Data Science and Analytics in T.I.P.?

- The program was designed in close consultation with the industry and with the end goal to make students achieve the desired student outcomes.
- The program was benchmarked with similar offerings of top universities such as the University of California Berkeley, Stanford University, University of Michigan, University of Maryland, Nanyang Technological University of Singapore, and others.
- T.I.P.'s educational excellence is recognized by CHED and international accreditation bodies.

Career Opportunities

- Data Scientist
- Data Architect
- Data Engineer
- Business Analyst
- Machine Learning Engineer
- Data Visualization Developer
- Predictive Modeler
- Financial Analyst
- Social Media Analyst
- Biomedical and Health Analyst

Bachelor of Science in
Data Science
and Analytics

ADMISSION REQUIREMENTS

- Original copy of SHS Report Card (Form 138/SF9) from Grade 12
- Original copy of PSA Birth Certificate
- Certificate of Good Moral Character (with school seal)
- 2pcs identical 2" x 2" recent ID pictures
- Certificate of Honors/Rank (if applicable)

Apply online via <https://admission.tip.edu.ph>.

Take note of your application reference number.

Submit the original admission requirements to the Student Recruitment Office.
