PACUCOA Accreditation Level III First Reaccredited Status in Secondary Education

ASEAN University Network-Quality Assurance (AUN-QA) Program Assessment Secondary Education

## Program Educational Objectives (PEOs)

Three to five years after graduation, the Bachelor of Secondary Education and Bachelor of Special Needs Education alumni shall:

- have advanced their practice or achievement in the field of Secondary Education and Special Needs Education and/or other endeavors or advocacies supported by their acquired education;
- strive to be globally competitive through
  - living by the T.I.P. vision and mission, pursuing continuing education, and practicing continuous quality improvement (CQI) in their personal lives;
  - continuously scanning, adopting, and building on the best practices in their field.

## Vision

The T.I.P. College of Education aims to provide leadership in teacher education, educational research, and advocacy in educational policies toward student welfare and the well-being of teachers. The preparation and continuing professional development of educators are the core of this mission. Likewise, it aims to influence education by interacting with practitioners in the field through a variety of partnerships with schools and other associations and agencies to contribute to educational policy development at local and national levels.

## Mission

T.I.P. College of Education shall be known as a leading teacher education institution in the Philippines, best known for raising the status and quality of teacher training and development. It will provide a creative and dynamic environment for learning, research, and community service. It will nurture knowledgeable, caring, competent, and responsible teachers who will excite students' interest as they experience the joy of learning and explore the path to lifelong learning.
