# Let us help you adjust to the new normal in education.

## Enroll in the T.I.P. TCP.

The Technological Institute of the Philippines (T.I.P.) Quezon City's College of Education understands the importance of providing quality education despite the change in modality and the urgent need to equip teachers in delivering effective flexible education.

The Teaching Certificate Program (TCP) of T.I.P. is a pioneering post-baccalaureate program that focuses on providing teachers with the much-needed skills and competencies to conduct effective flexible teaching on top of honing their existing teaching abilities in a traditional class setup. The program is also open to non-education degree holders who wish to qualify for the Board Licensure Examination for Professional Teachers (BLEPT).

### **As a professional, you will be better equipped to:**

- teach in the new normal
- prepare instructional materials appropriate for flexible learning set-up
- develop curriculum materials such as course syllabi, modules, and other learning tools appropriate for online and flexible teaching and learning

## **Expect the following when enrolled in this program:**

- 12 weeks of rigorous training to develop traditional and online teaching skills
- flexible learning via the T.I.P. Canvas Learning Management System
- classes conveniently scheduled only after office hours

## **TCP is an 18-unit program composed of the following courses:**

- Philosophical and Historical Foundations of Education and the Teaching Profession (3 units)
- The Child and the Adolescent Learner (3 units)
- Preparation of Instructional Materials for Online and Flexible Learning (3 units)
- Educational Research and Evaluation (3 units)
- Principles and Strategies of Teaching with Focus on Online / Flexible Learning / Principles and Methods of Teaching with Observation and Participation (3 units)
- Preparation for Instructional Materials / Technology for Teaching and Learning (3 units)
- Assessment in Student Learning with Emphasis on Online/Flexible Learning/Measurement and Evaluation with Observation and Participation (3 units)

## **ADMISSION REQUIREMENTS**
